

Kickoff Working Group Meeting for the Imperial/Mexicali Air Quality Work Plan

San Diego State University - Imperial Valley Campus – Stepling Art Galley

Monday, July 9, 2018

1:00-4:00 pm

Call in number: +1.888.240.2560 (US Toll Free)

+52.55.4741.1411 (Mexico)

Enter Conference ID : 531381604

Spanish translation will be available.

Objective: To gather input from working group participants on the sources of particulate matter (PM) impacting air quality in Imperial County and Mexicali and engage participants in the development of a Work Plan focused on achieving measurable reductions of PM in the Imperial/Mexicali border area.

- 1) Welcome and introductions (1:00-1:45)
- 2) Work Plan development process and schedule (1:45-2:00)
- 3) Work Plan topics (2:00-2:30)
 - a. What are the top 3 strategies you think are most important to reducing PM in the border region?
 - b. What are some metrics that we can use to measure progress in evaluating emissions reductions?
- 4) Break (2:30-2:45)
- 5) Continue discussion on Work Plan (2:45-3:40)
- 6) Wrap up (3:40-3:50)
- 7) Action items for next meeting (3:50-4:00)
